

**US Army Corps  
of Engineers  
Fort Worth District**

# Press Conference Media Advisory

Release No. CESWF-PA-02-045 For Immediate Release: 4 Jul 02

Contacts: Judy Marsicano, COE, at 817-832-3642  
Judy Gardner, GBRA, at 830-379-5822

- WHAT:**
- Press Conference by the Fort Worth District, U.S. Army Corps of Engineers and the Guadalupe-Blanco River Authority (GBRA).
  - Officials from agencies involved in operation of Canyon Reservoir will explain current flooding situation and release procedures from the reservoir.
  - A question and answer session will follow the briefing, with an opportunity to visit the Canyon spillway for photo opportunities.

- WHO:**
- Officials from agencies involved in operation of Canyon Reservoir.

- WHEN:**
- Friday, July 5 at 10 a.m.

- WHERE:**
- Parking lot outside the Corps of Engineers headquarters at Canyon Reservoir, Sattler, TX.
  - Directions: From IH-35 in New Braunfels, take Highway 306 North. Proceed through the traffic light at the Sattler intersection to the blinking light at the marked access road to Canyon Dam and Reservoir. Turn left and proceed uphill to the COE Canyon Reservoir Headquarters.
  - From Highway 281, take Highway 306 South to the blinking light at the Canyon Dam access road. Turn right and proceed uphill to the COE Canyon Reservoir Headquarters.

**ALTERNATE LOCATION:**

- Depending on the release rates reached at the spillway, there is a remote possibility that portions of Highway 306 may be temporarily closed. In this event, the briefing will be held at 11 a.m. at the Comal County Sheriff's Office Emergency Center at 3005 West San Antonio Street, New Braunfels.
- Directions: Take IH-35 to Exit 184 (Rueckle Road). Access Loop 337 North and take first right on West San Antonio Street. Park in south end of lot.

**Please call GBRA office at 830-379-5822 after 8 A.M. for current road conditions and to confirm conference location.**
